

Nice to meet you!

My name is Ben and I'm from Tel Aviv, Israel.

I Love Creating, Gaming and Good People. Whether It's Design Work, Animation, Video Editing or Communicating with valued client, Creativity and Diversity are in my DNA and I'd never bring less than a 100% to the table.

I'd describe myself as a Hard & Fast Worker, Professional, Creative, Problem Solver, Motivated, Tech Savvy and Friendly.
Looking forward to working together!

WORK EXPERIENCES

Years of experience with different forms of Video and Design Creation have helped me accumulate a pretty robust arsenal of tools at my disposal. With the right application and some creative thinking - No bar is too high.

From fully animated Videos to fancy Infographics, Tv Commercials, Trailers, Social Media Videos, Openers and Full Graphic Packages for shows, Immersive Editorials, Company and Private PR videos, 2D and 3D effects for varying formats, Events and Weddings, Color Correction, Sound Editing, On site Creative Directing and Pre-Production Planning and Storyboarding.

I've also done illustration work, Both Physical and Digital. Character Designs, Logos, Banners and more recently Creating AI generated Images and Editing them into useful assets.
